Caleb Green, ’20

Business administration major and Alice Carson Tisdale Honors College student Caleb Green is a Gates Millennium Scholarship recipient. Green excelled in the competitive scholarship process and was selected out of the national pool of an estimated 53,000 applicants. “The application and selection process is rigorous and requires hard work and patience,” stated Green. “My dad recommended that I apply and he encouraged me throughout the entire application process,” continued Green.

Established in 1999, The Gates Millennium Scholars program was initially funded by a $1 billion grant from the Bill & Melinda Gates Foundation. The United Negro College Fund now administers the scholars program. The program provides financial support, leadership development programs, mentorship opportunities, and additional services to recipients. The Gates Millennium Scholarship is awarded through graduation.

Upon graduation, Green hopes to continue his education in public health and business administration. His ultimate career goal is to assist his father with the family's health and disabilities transportation business. “I’m looking forward to advancing in my major of business administration and expanding my knowledge of public health. The skills that I learn at Claflin will help prepare me for my future career,” stated Green.

WAYS TO GIVE

Clafin University has been the benefciary of valued contributions from many donors. As we look to an even brighter future in this new capital campaign, we reach out to donors to join us, to imagine the possibilities with us. Here are the many ways to give to Clafin University.

CASH

A gift of cash (check or credit card) is the most popular way to give and entitles you to a federal income tax deduction of up to 50 percent of adjusted gross income.

MATCHING GIFTS

You may be able to double, or even triple, the amount of your gift through a matching gift from corporations and businesses. Ask your employer if your company is a matching gift company.

APPRECIATED ASSETS

Your gift of appreciated securities such as stocks, mutual funds and bonds has attractive benefts. An outright gift of long-term appreciated assets avoids capital gains taxes and, in most cases, you earn a charitable income tax deduction equal to the market value of the securities.
